Diablo 2 Lord Of Destruction Download

We could say that there are new playable characters, though it is made trough quite a silly method available to any average modder.. So I wonder why nobody made it yet (at least I don't know about anyone). I mean not full conversion in sense of enemies' formation, which it, kind of, is aswell, but I mean something else.. The Puppeteer isn't just a story mod with higher difficulty It's a full conversion (kind of?).. I mean in sense of characters' skills, and, perhaps even in characters themselves.
