The screenshot shows the 'Automation License Manager' window. The title bar reads 'Automation License Manager'. The menu bar includes 'File', 'Edit', 'License Key', 'View', and 'Help'. The toolbar contains various icons for file operations and a dropdown menu set to 'License keys'. The main area displays a table titled 'License keys - LICENSE_KEY (E:)' with a ribbon icon in the top right corner. The table has columns for 'Status', 'Family', 'Product', 'V...', 'N...', and 'License key'. Two rows are highlighted in blue, indicating they are selected. The status bar at the bottom shows 'Press F1 for Help' on the left and '2 License key(s) selected' followed by an icon and 'Unkn' on the right.
